

CLUB VELE UNVEILED

The Ultimate in Luxury Living Where Passion Meets Perfection, and Every Day Feels Extraordinary

Step inside Club VELE, and the ordinary world dissolves. This is not merely a residents' clubhouse; it is a private universe of refined pleasure, designed for those who refuse to settle for anything less than exceptional. Here, luxury is not an occasional indulgence; it is the quiet rhythm of everyday life. From the moment you cross the threshold, the promise is clear: your passions, no matter how grand or intimate, finally have a stage worthy of them.

At the heart of this elevated experience lies the *Theatre Setting*, a sanctuary that transforms movie night into pure cinema magic. A built-in 4K projector casts images across a vast 120-inch screen while a cinema-grade Dolby Atmos 9.1.6 surround-sound system wraps

every note, whisper, and explosion around you in three-dimensional splendour. The effect is so immersive it is almost impossible to recreate at home. Simply bring your own streaming credentials; Netflix, Disney+, Google TV, and more are pre-installed and ready. High-speed Club VELE connectivity ensures seamless playback, while personal laptops and gaming consoles can be connected for e-sports tournaments or audiophile listening sessions. Book the space any hour of the day or night. Gather friends for a blockbuster premiere, settle in for a solo sonic journey, or host a late-night gaming showdown, without a single worry about disturbing neighbours. This is private cinema the way it was always meant to be: exclusive, effortless, and utterly transportive.

Aqua Lounge

Yet the magic does not end when the credits roll. The same versatile function room that hosts your cinematic escapes can be reimagined for almost any desire. Planning an elegant private banquet? The generous floor plate accommodates extra-large round tables and transforms into a magnificent hall of quiet grandeur. Arrange refined catering through the attentive concierge, and every detail, from lighting to table settings, reflects the prestige of the occasion. Prefer a more spirited gathering? The soundproofed space becomes the ultimate party room. Mahjong tables, poker nights, board-game marathons, or children's celebrations complete with bouncy castles, trampolines, and entertainers; all unfold here without restriction. One room, endless possibilities, a stage for every passion.

When the soul seeks stillness rather than spectacle, Club VELE offers an equally thoughtful retreat. *Unity Spa*, the dedicated family sauna provides complete privacy, complete with its own changing rooms and showers. Book your preferred time slot and the space belongs solely to you and those you invite. Parents and children can share the gentle heat, creating warm, unhurried moments of connection that modern life so rarely affords. It is wellness without compromise; intimate, exclusive, and quietly luxurious.

Step outdoors and the experience expands once more. The sky garden at Outdoor VELE is a carefully composed landscape of sea views, greenery, and contemplative spaces. At the *Aqua Lounge*, a small circle of friends can claim panoramic vistas as their private backdrop. Those seeking solitude find it at the *Serenity Deck*, where landscaped plantings and fresh air invite deep breaths and quiet reflection. Morning yoga flows effortlessly across the open area, while *Funland Oasis* keeps little ones joyfully occupied. Every corner has been considered so that residents of every age and inclination feel equally at home.

Club VELE does not merely provide facilities; it curates a lifestyle. The private cinema, the chameleon-like function room, the family sauna, the *Splash Haven*, the *Pool VELE* of around 20 meter length, all exist so that residents never have to choose between passion and practicality, between privacy and connection, between everyday ease and extraordinary moments. Here, luxury is not performed for show. It is lived, quietly and completely, as the most natural expression of home.

In a world that constantly demands more, Club VELE answers with something rarer: space that adapts to you, time that belongs to you, and experiences that elevate the ordinary into the unforgettable. Truly, this is luxury living, unveiled.
