A Coastal Sanctuary of Elegance and Prestige

Imagine waking up to the gentle sounds of the sea, with sunlight dancing across your spacious living room as you gaze out at the endless blue horizon. VELE captures this idyllic coastal charm, offering residents a rare opportunity to indulge in a serene retreat just moments from the bustling city. Mr. Roy Chau, Head of Sales at Tai Cheung Properties, shares, "VELE is located opposite to the Aberdeen Marina Club, enjoying the unparalleled beauty of Hong Kong's southern coastline. Inspired by the Mediterranean allure of the Amalfi Coast, the design combines refined craftsmanship with contemporary elegance."

The name "VELE," derived from the Italian word "Vela" meaning "sail," symbolizes grace, freedom, and adventure, qualities embodied by the development's proximity to the nearby yacht marina. The Chinese name "環南" (meaning "radiance encircling the South") reinforces the residence's luminous presence in this prestigious locale. Here, life by the bay is more than a daily routine; it's an experience filled with treasured moments, whether sharing laughter with loved ones or enjoying a peaceful retreat.

Architectural Masterpiece Inspired by the Mediterranean

Every detail of VELE reflects a commitment to excellence. The residences are thoughtfully arranged from the 5th to the 32nd floors, with only two units per floor to ensure utmost privacy. The spacious four-bedroom layouts are designed to maximize sea views, with floor-to-ceiling windows and expansive balconies that blur the boundary between indoors and outdoors. For those seeking the pinnacle of exclusivity, the top-floor duplexes feature outdoor activity areas, an oasis of luxury overlooking the shimmering waters.

Standard floors boast elegant lobbies and refined entrances, creating a grand first impression for residents and visitors alike. Whether for multi-generational families or couples craving expansive space, VELE offers a harmonious blend of comfort, style, and functionality. It's a home where every sunrise and sunset becomes a cherished memory.

Seamless Connectivity and Natural Beauty

Location is key to the VELE experience. Situated at the Ap Lei Chau exit of Route 1, the development offers swift access to Central, Admiralty, and other key districts. Residents enjoy a well-connected transportation network, with just four bus stops to Admiralty and a 14-minute ride to Causeway Bay, the city's premier shopping and entertainment hub.

Beyond urban convenience, VELE invites residents to explore Hong Kong's natural treasures. Scenic spots like Chung Hom Kok, Deep Water Bay, and Repulse Bay are just a short drive away, perfect for weekend escapes or sunset strolls. For outdoor enthusiasts, Shek O Country Park and Cape D'Aguiar offer lush hiking trails and breathtaking vistas, elevating daily living into a continuous celebration of nature's beauty.
